A silhouette is a shadowed outline. To outline campus life is not a difficult task. Rather, it is the shadowing in, or the true representing of the activities, the students, the faculty, the administration, the organizations, and the school spirit which is the comprehensive work of the annual staff.

Careful planning, creative photography, the composition and revision of copy are some of the many factors which have entered into the production of the 1963 BLUESTONE.

Through determination, skill and energy of ideas the BLUESTONE staff has striven to fulfill their goal . . . to produce a true silhouette of Madison College in 1963.

DEDICATION

It is to a happy and devoted family that our Class of '63 dedicates its memories — to a family which has accepted us and our tasks as their own.

They have given to us graciously, with enthusiasm, understanding and constant concern. Under their sponsorship we have grown, as a class and as individuals, able to acknowledge our mistakes and yet persevere.

With admiration, we proudly give the last united effort of the Class of '63 to Dr. and Mrs. Z. S. Dickerson, Richard and Margaret Ann.

DR. G. TYLER MILLER
President of Madison College

Dr. G. Tyler Miller, President of Madison College, was born in Rappahannock County, Virginia. He received his education in the public schools there and is a graduate of Randolph Macon Academy and Virginia Military Institute. He has also attended the University of Virginia for graduate study. Bridgewater College awarded him the LL.D. degree in 1955.

His appointment as President of Madison College was made by the State Board of Education in June, 1949, after a distinguished career as an administrator of public education in Virginia which included services as principal of a high school, Superintendent of Schools for Warren and Rappahannock Counties, Charlottesville, and State Superintendent of Public Instruction. He assumed the position as President of Madison on September 3, 1949.

Dr. Miller's outstanding accomplishments have been recognized by the following publications wherein he is listed: WHO'S WHO IN AMERICA, WHO'S WHO IN AMERICAN EDUCATION and WHO'S WHO IN THE SOUTH AND SOUTHWEST.

President Miller has always been active as a civic, church and educational leader, as evidenced by his membership in many organizations and on many committees and boards. At present he is a member of the Board of Directors of the Association of State Colleges and Universities, a member of the Association of Virginia Colleges, the Vir-

ginia Academy of Science, The Virginia Education Association, and the Virginia Historical Society. Dr. Miller has held membership in Phi Delta Kappa, Honorary fraternity in education, for over twenty years. He is a Vestryman at Emmanuel Episcopal Church of Harrisonburg, a Rotarian and Vice-Chairman of the Board of Trustees of Rockingham Memorial Hospital.

President Miller helps his daughter, Elise Browning Miller with her homework.

DIVISION OF SOCIAL SCIENCES

At Madison College students have the opportunity to develop vocational skills as well as the supplementary subject matter relating this skill to the social and cultural environment. The social scientist, whether he is an economist, geographer, historian, political scientist, or sociologist, contributes to the understanding of human behavior by his unique focus. In home economics instrumental skills have little meaning unless seen in the large complex of interpersonal relations. Likewise, business education skills become meaningful when viewed as one aspect of office or factory life. The librarian must be trained in skills essential to professional competence, as they work with colleagues whose joint responsibility is to serve the needs of a particular school or community.

DORMITORY HOSTESSES

"Woman's work is never done." This is certainly true for the housemothers who are responsible for the care of the dormitories and the girls who live in them. Yet, they are ever ready to help a girl in any way possible. The girls at Madison owe a great deal to these women.

SOCIAL DIRECTORS

Late permissions, teas, and other social functions are the responsibilities of the Social Directors. These women help freshmen "sign out" for dates and serve as advisors to the Social Committee on Campus.

SEATED: Mrs. Lincoln
STANDING: Mrs. Yancey

FOOD SERVICE

Meals are an important part of college life, and the dietitians are responsible for our meals on campus.

SEATED: Mrs. G. Rubush, Supervisor, Miss J. Copper, Head Dietitian. STANDING: Mrs. J. Long, Secretary; & Mrs. M. Trimpey, Assistant Dietitian.

INFIRMARY

Dr. Green discusses a student's medical record with Miss Talliaferro.

LIBRARY STAFF

Books make a library, and the people responsible for the care and selection of the books in the Campus library are the library staff.

COLLEGE SERVICES

Many extra services that are quite often overlooked or taken for granted are referred to as college services. Included in these are the Tearoom, Laundry, and Stationery Store. Buildings & Grounds, Switchboard, Dormitories.

Mr. Palmer, Head Librarian, discusses selection of books with Mrs. L. Showalter, E. Downey and P. Hoover, assistant librarians.

Discussing the merits of drinking milk daily are Miss R. Roadcap, Manager, Tearoom; Mrs. B. Moyers, Laundry; & Mrs. Judy, Switchboard Supervisor. Other college services include: Mrs. B. Lenox, Director of Dormitories; Mr. F. Roberts, Superintendent of Buildings & Grounds; Mrs. D. Way, Stationery Store Manager; & Mr. Derrer, Night Watchman.

DEPARTMENTAL

SECRETARIES

Behind the scenes these women enable the department heads to develop and improve curriculum. They well deserve our great recognition.

SEATED: B. Ayers, M. Strong, B. Johnson.
STANDING: S. Baylor, A. Trenary, T. Branch.

SECRETARIES TO ADMINISTRATION

Little known or recognized are the secretaries to the Administration, who work tirelessly to keep the official business of the school running smoothly.

ASSISTANTS TO ADMINISTRATION

"A chain is only as strong as its weakest link." These women, assistants to the Administration, are strong links indeed.

MADISON COLLEGE ALUMNI ASSOCIATION

Mrs. Agnes Dingledine
Executive Secretary

The purpose of the Alumni Association is to keep the College in touch with its graduates, both men and women; to acquaint them with its works, its plans, and its needs; to further their interests in all possible ways; and to promote warm fellowship among them by providing frequent reunions.

Dear Seniors:

This year of 1963 will prove the greatest year of your life to this point. Believe it or not in the years ahead, regardless of the many jobs which will have become yours, you will say as you reminisce, "Yes, the 1963 year was a great year in my life — far greater than I realized at the time!"

Your four years as students are significant of "getting ready" for the time when you will be successful Alumae!

As a past president of Madison College Alumni Association I would take the liberty of saying "The most important thing a Senior can do for her college is to love it enough to so signify by becoming a member of the College Alumni Association. This is important to the Association for through its membership the Alumni is at all times alerted to the performances and growth of the college.

"Loyalty" is an important word but it loses all of its essence unless it comes voluntarily from the heart. Loyalty to one's college is not acquired. It becomes a part of one, growing stronger each year until one cannot think of separation of self and college. Surely there is not one Senior who would not declare most vocally her loyalty to Madison College. But the test comes when she is no longer a student, but a "grad!"

To you Seniors, "Congratulations upon your splendid achievement's and the important contributions you now bequeath the college as you silently treck your way to face a New Day, a New Life."

Sincerely,

Helen Migler Stuart

There is nothing to compare with the proud smile worn by a Junior who has just received her class ring.

Checking out books in the library for another term paper that is soon due.

Joan found another reference book in the stacks.

When it comes to class spirit, the Junior Class can't be beat.

"Hey, what happened to the five-minute phone limit?"

"What do you mean, 'a fire drill'?"

Junior Snaps

Freshman Snaps

On September 16, 1962, the Freshmen of the class of '66 began their days at Madison College. With the guidance of our Senior Counselors, "Big Sisters," Campus leaders and the administration, we successfully completed our orientation program. Now we are an active part of Madison College's student life.

Betsy is doing her first in a series of term papers.

It looks like Helen is taking her seven o'clock to ten o'clock break.

Freshmen have many pressing problems.

BREEZE

The Breeze is the student-published weekly newspaper which came to Madison College in December of nineteen hundred and twenty-two. Since that time, the news has continued to "breeze" over the campus. The staff tries to reflect, as accurately as possible, student activities and opinion.

For the first time in thirty-four years, the Breeze is expanding the issues from four to six pages. Also, during the nineteen hundred and sixty-two through the nineteen hundred and sixty-three session, the masthead, which has not been altered for forty years, is being changed.

*STUDENT GOVERNMENT
ORGANIZATIONS*

STUDENT GOVERNMENT ASSOCIATION

Barbara Slate
President

Student Government has been a vital part of campus life for forty-six years and the nineteen hundred and sixty-two through nineteen hundred and sixty-three Student Council has endeavored to uphold its proud heritage. Calling its project "Action," this year's council laid plans for it at SGA Retreat held at Riverwood even before the freshmen arrived on campus. Project "Action" materialized in the form of such items as mass meetings of the student body, a mock trial, among other projects. Project "Action" called for keeping the student body better informed in regard to Student Government activities, and strengthening the links between the two. Student Government is striving to keep itself before the students — not in a "policing" capacity but in a "care-taking" one.

Members of Student Government get Smothers Brothers' autograph.

Standards Committee

Carole Boettcher, Chairman

The committee is a branch of the Student Government Association which consists of a representative from each dormitory, a representative from the women day students, and the head waitresses of each dining hall. These members are willing to answer any questions from any and everyone which pertain to any rule of Standards, and are open to all suggestions which would bring needed improvement.

The duties of Standards include checking date books for complete and correct information, checking date centers for proper conduct, keeping order in the dining hall and in general promoting other good standards for general conduct and appearance. Besides the above, the committee is working to revise the rules which need to be improved, deleted, or more clearly stated.

SEATED: S. Smith, M. Fake, D. Powell, B. Black. *2nd ROW:* S. Urquhart, E. Hudgins, B. Landrum, J. Stover, B. Hawks, M. Engel, N. Heath, B. Fitzgerald, L. Miller, B. Mullins, E. Wright, M. Turner.

Social Committee

The Social Committee of the Student Government Association at Madison College holds as its main purpose the provision of social experience necessary for the poised and attractive individual of today. Nevertheless, among the duties and responsibilities are planning receptions, decorating for dances, and even polishing silver.

Each year the Social Committee begins its program with the reception held at Hillcrest. This enables the new students to become better acquainted with the administration, faculty, and campus leaders. During the spring the Committee assists the German and Cotillion clubs in decoration for the May Day Dance and helps the Seniors with their final dance and reception during the week of graduation.

As one of its main functions, the Recreation Council supplies the dormitories, sorority houses and day students' rooms with as many recreational facilities as possible.

Student Government, Honor Council, campus clubs, publications, and sororities are represented, and their functions on campus explained.

Joyce Teele, Editor

The Honor Council is composed of elected representatives from the respective classes, the Men's Student Government Organization, and the Women Day Students. These representatives serve as an impartial court in acting on violations of the Honor Code.

Although the Honor System has been in operation since 1945, this is the first year it has operated as a complete and separate system from the Student Government Association.

MEN'S STUDENT GOVERNMENT ORGANIZATION

In the fall of 1948, the Men's Student Government began its activities. It was felt that the men students on campus were in need of an organized group by which they might integrate their activities and facilitate means by taking part in campus activities.

The objectives of the SGO are to promote better student-faculty relations, act as intermediary between the administration and the men students, and to promote the general goodwill and welfare of the college and student body.

The SGO has participated in various activities during the year, including the annual smoker (the stag party we look forward to each year), Old-Student, New Student Day and Assembly, and various other get-togethers.

Men's Student Court

The Men's Student Court acts as the Judicial Branch of our government. Composed of members of each class, the Court hears and renders decisions on any breach of college rules or social etiquette concerning men students. The Court also cooperates with the Women's Student Government Association in matters concerning the entire student body or individual students.

The German Dance Club has taken on a new look this year. The most apparent change is the revision of the goating system. Other activities include the German Bowl Hop, German Party for prospective members, part sponsorship of the Smothers Brothers' Concert, and getting club banners.

The major event of the year is the German-Cotillion Dance. The festivities include the afternoon concert and the formal dance in which the officers and their escorts participate in the traditional figure. At the spring picnic, which brings to a close the activities of the year, the Seniors, old officers, and the sponsors are recognized.

The Bluestone Cotillion Dance Club, founded in 1929, is the oldest of the two dance clubs at Madison. For the first time, the members have pins especially designed for this campus.

The two dance clubs join together in March to sponsor the annual Cotillion-German formal dance weekend. Other activities include the opening of the gym on Saturday nights for dancing, Coke parties for freshman and men students, the February informal dance and the traditional spring picnic.

As a special feature of the year, an engraved silver punch service was presented to the college.

Madison College Panhellenic denotes an organization of some three hundred and fifty Greek letter men and women bound together in a true spirit of unity and friendship.

In the early fall, a new men's fraternity, Phi Alpha Epsilon, was approved by the administration and invited to membership in Panhellenic. Dr. Raymond Dingledine was the speaker at the annual Panhellenic Sing, and the scholarship cup was awarded to Sigma Sigma Sigma. "Christmas Silhouettes," the Panhellenic Christmas Dance, gave all Greeks the chance to work together and will be long remembered.

Spring Rush was held in March and Panhellenic met with freshmen to further acquaint them with the Greek world. Later in the spring, the annual picnic was held. Climaxing the Council's year was the presentation of the annual scholarship to a Madison student.

"What do you mean, 'It's off center!'" challenge Greeks as they decorate for the Christmas dance.

ALPHA GAMMA DELTA

Autumn leaves and the beginning of classes found Gamma Mu busily preparing to add new sisters to its ranks. During Formal Rush, Mrs. Ethel Kelly Hanson, wife of a retired Madison Professor, became our 100th initiate. Other new advisors are Mrs. Richard Halterman, alumna 1962, and Mrs. Kyle Stirling, Gamma Eta.

After the welcome arrival of new pledges into membership, the Alpha Gams settled down to enjoy Saturday night suppers, teas, ice-skating, P.J. parties, and parties with various men's fraternities. The Christmas season brought the annual Panhellenic dance and initiation of pledges followed by a banquet at Belle Meade. New sisters provided side-splitting entertainment at the Christmas party for old members.

With the New Year came exams but also a wonderful group of new pledges. International Reunion Day was celebrated with a tea, and May Day weekend brought many alumnae back for the festivities. Sisters from Gamma Lambda chapter joined us for a college weekend. All enjoyed sharing sorority experiences and strengthening sisterly ties. Seniors, though anxious for graduation, found tears in their eyes when serenaded at the Senior Party. June found us relaxing on the sands of Virginia Beach with many happy memories of sorority life and hopes for even better things in the future for Alpha Gamma Delta.

ALPHA SIGMA ALPHA

This has been a year which will long be remembered by all the Alpha Sigs. Arriving early to make plans for the fall rush party, the Alpha Sigs were transformed into hula girls, beach combers, and Kuhunas for the "Hawaiian Luau." The following weekend new pledges were welcomed into the sisterhood.

On Halloween night the sisters were summoned by senior "witches" to an impromptu costume party. Beta Epsilon celebrated National Founders' Day with a banquet at Bear Trap Farm.

Christmas time found Baker House collecting food and gifts for a needy family. Dr. Theodore showed slides and gave a talk on the nativity. New members entertained us with a Christmas Party of "red and white" including gifts, refreshments and a short play.

In the new year, ASA enthusiastically greeted Spring Rush. Beta Epsilon and the Harrisonburg Alumnae Chapter were hostesses for the Virginia State Day held in April. Visiting the young people's ward at Western State Hospital was our Philanthropic project. The year ended with many fond memories and high hopes for coming years.

ALPHA SIGMA TAU

Alpha Sigma Tau Sorority is the outgrowth of a women's social club founded on the campus of Michigan State Normal College, Ypsilanti, Michigan, in 1899. The name Alpha Sigma Tau was adopted by the group, which celebrated its first Founder's Day on November 4, 1900, and which continued to grow in membership from year to year. There are 28 collegiate chapters and 56 alumnae chapters.

September saw the return of many busy members to again plan the traditional "Carnival Party" for rush. The following weekend new pledges were welcomed into the sisterhood. At Christmas members went caroling at the Sunnyside Presbyterian Home for the Aging. This was followed by a party for our patronesses, Mrs. Pendleton and Miss Dykes, our advisor, Dr. Marilyn Crawford, and new members.

Again in the spring the ASTers welcomed new sisters and celebrated the local Founder's Day. The Helen M. Frank Scholarship was presented to the junior with the highest accumulative average. The year ended with a Farewell Breakfast for the seniors. As summer came we recalled the memories of an inspiring Alpha Sigma Tau year.

PHI MU

In September, we began our new year with a busy rush workshop and then entered a memorable rush period with a visit to the Phi Mu Plantation. Our night in the Old South began in the formal entertaining room and ended with the rushees leaving through the pink carnation arch. The next Saturday we welcomed our new pledges.

In October we were fortunate to have one of our field secretaries visit us. A tea for our Northern Virginia Alumnae Club was held in November. We also continued to send letters and money to our adopted brother, Andreas Dragar, in Vienna, Austria.

Just before Christmas, we initiated our pledges and attended a banquet in their honor at Belle Meade. As spring approached we welcomed new sisters and celebrated our Founder's Day with installations of officers and a banquet.

With the arrival of May, all Phi Mus looked back over a year that had been filled with fun and excitement. As our seniors said good-bye, the Gamma Theta sisters made plans for the coming year.

SIGMA KAPPA

Sigma Kappa was founded November 9, 1874, at Colby College in Waterville, Maine. Its colors are lavender and maroon and its jewel is the pearl. The second week of September found all the Sigma Kaps happy to see each other after the summer and hard at work on preparations for our Roaring Twenties rush party. Rush culminated in walk which brought us eleven new pledges.

Founder's Day was celebrated in November and a supper was held shortly after. Our pledges entertained pledges of the other sororities with an informal coke party. Later a very successful party was given jointly by Sigma Kappa and Phi Alpha Epsilon.

December brought Christmas festivities with a Christmas party for our patrons and their children. January brought examinations. And February brought new sisters.

Spring activities included a tea for retiring faculty members and the traditional senior breakfast. The seniors said reluctant good-byes in June to the sorority which had meant so much to all of them and wished their sisters success and happiness.

SIGMA SIGMA SIGMA

Early in September, Sprinkle House turned Oriental as Japanese lanterns, wind chimes, cherry blossoms, and colorful Sigma maidens welcomed rushees to an evening in Sigmayoki, Japan. Much to our delight thirteen wonderful pledges came our way on October 6. Tri Sigma also received the Panhellenic Scholarship Cup for the second consecutive year. Tri Sigma's theme, "Sigma Serves Children," was exemplified as we contributed to the Robbie Page Memorial Fund.

Early December meant initiation for the pledges and we welcomed them into the wider realm of our sisterhood. Soon boughs of holly and streamers of mistletoe gave Sprinkle House the Yuletide air.

January . . . February . . . cold wintry months, yet Sprinkle glowed with activity as all took exams, some moved, some married, and all who remained settled into second semester. Early in March wonderful spring pledges chose Tri Sigma and added more graces and smiles to our sisterhood. In April we celebrated our National Founder's Day; and in May, our Local Founder's Day. June came too quickly, especially for the seniors who suddenly realized it was time to say good-bye. It was difficult to leave so many happy memories and such wonderful sisters.

ZETA TAU ALPHA

Zeta Tau Alpha was founded at Longwood College, Farmville, Virginia, on October 15, 1898. At present, there are 110 chapters and over 200 alumnae chapters of ZTA throughout the United States and Canada.

Fall brought the Zetas again to Nicholas House in a healthy, suntanned group to begin work on fall rush. The Zetas began rush with a Western theme, "Zeta or Bust," and ended with eighteen wonderful new pledges.

After celebrating Founder's Day in October, the Zetas found November full of jubilant open houses and a mysterious visit from the "Great Pumpkin" on Halloween. December followed with Zetas enjoying such events as Zeta Week, initiation, the White Banquet at Ingleside, and the annual Christmas party and tea arranged by the new members. We found special joy in bringing the spirit of Christmas to the Geriatric patients at Rockingham Memorial Hospital.

1963 found the Zetas in a whirl of open houses, exuberant Sunday night suppers, and informal get-togethers in the fun of sisterhood. Nicholas House was the scene of a lovely May Day tea given in honor of the alumnae, patrons, and advisors. After the Senior Picnic and graduation the year came to an end. The seniors bade their sisters good-bye and left Nicholas with the wonderful and lasting memories known only to Zetas.

SIGMA DELTA RHO

Sigma Delta Rho began the year with many plans for activities. A social party and rush activities at mid-semester was enjoyed by the fraternity. Members of the fraternity acknowledge the privilege of participating in Panhellenic Council again this year.

The selection of this year's sweetheart was the high point of first semester. Second semester was highlighted with rush activities and social gatherings making this a very productive year for the fraternity.

PHI ALPHA EPSILON

Phi Alpha Epsilon social fraternity was formed during the late summer and early fall of 1962 by a small group of Madison men who felt that the campus needed another fraternity. Our first year has been a struggle, but it has also been extremely successful. We feel that we have created an organization that will continue to strive for excellence, fellowship, and campus leadership.

Certainly one of the high spots of the year was the party given in cooperation with the Sigma Kappa sorority. We hope that this initial success will establish a precedence for more fraternity-sorority cooperation in various activities.

Our organization shall continue to promote that which is best in the college male.

With the Council's assistance, and the able direction of the faculty advisors, the WAA strives to encourage and stimulate the student's participation and interest in athletic games and sports, to promote good sportsmanship, and to cultivate a spirit of co-operation and fellowship.

Keeping in mind their motto, "To provide a sport for everyone," the WAA spends many hours of planning and many hours of work in the athletic program at Madison. In this planned athletic program the WAA provides eleven intramural sports, four extramural teams and three clubs.

A variety of special events are planned and sponsored by the WAA throughout the year to provide entertainment for all. Some of the events include the Chuckwagon Party for incoming Freshman, the Massanutten Hike and the climax of all the events — May Day.

ORCHESIS

Form and movement were the keynotes as Orchesis, the modern dance group, spent a year of planned activity. With tired muscles but energetic spirits, the girls practiced many hours outside of the regular Thursday session.

In the fall the dancers performed for Saturday singspiration. December brought their originality to the Christmas pageant through a spiritually moving composition. At the State Dance Festival in Richmond, they presented a satire on college life. Throughout the year, the group worked towards their Spring Concert.

PORPOISE CLUB

The Porpoise Club was organized in 1939 by twenty-five girls who wanted to improve their swimming ability. This is still a goal of the club plus a greater interest in safety in water sports.

With graceful strokes and comical splashes, the Porpoise Club works together for perfection. Stars and flowers often appear on the water as a part of the girls' weekly practice routine.

After try-outs new members joined old members to plan for the spring water show. Dr. Bruce, sponsor, helps the group in their preparation for the annual event.

FENCING CLUB

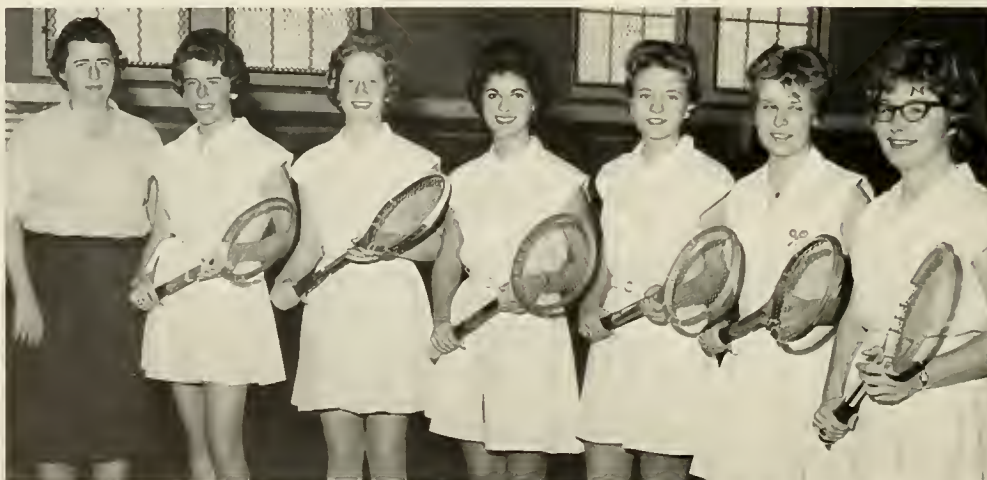

The Fencing Club is an organization which provides an opportunity for interested persons to fence and which endeavors to stimulate interest in the sport of fencing. Fencing bouts are held with various college fencing teams. Club tryouts are held several times during the year.

The club season extends from the first week in November to the first week in April.

TENNIS TEAM

TENNIS TEAM: A familiar scene back campus during warm sunny weather is the Tennis Team, hurrying to get in a few hours of practice. GIRLS' BASKETBALL TEAM

Though polishing skills and building endurance are sometimes not enjoyable, Madison's girls' basketball team is known for their enthusiasm for the sport, their teamwork and their prevailing high spirit.

In late November the long hours of practice are begun and eagerness to make the team is felt strongly. Although the desire to win runs high, the friendship, cooperation, and attitude of the team override any losses obtained throughout the season.

MEN'S INTRAMURAL SPORTS

Under the sponsorship of the Men's Athletic Association, the men's intramural sports program is available to the men students of Madison. Included in the program are the sports of football, ping-pong, basketball, bowling and baseball. The men teachers

of Madison joined with the men's Athletic Association to add variety and competition in these intramural sports. A spirit of sportsmanship prevailed as the men engaged in the mens' intramural sports program.

Herb Copenhaver and Bob Hughes play a game of ping-pong during the intramural program.

Girls who participated in hockey were (left to right): Valerie Smith, Betty Deutz, Margaret Fakey, Eileen Doherty, Diane Ridgeway and Jo Paige Rust.

Intramural sports are furnished for the enjoyment of the students here at Madison. Participation in these sports offers us a chance of building character, better physical bodies, friendships, and skills. The main objective in having intramural sports is to provide an opportunity for each individual student to participate in sports. The intramural system provides team sports and individual sports. Each season is started by an instruction or practice period in order to give participants a chance to learn the fundamental skills of the sport and to give the instructors experience in organization and leadership. The intramural season opens in the Fall with Archery, Tennis, Hockey, Fencing and Volleyball. During the Winter months enthusiasts enjoy Social Dance, Swimming Meets, Basketball and Bowling. With the arrival of Spring comes Softball and Golf. Not only do the intramural sports' participants benefit, but this program also helps to promote the quality of those who carry our colors in extramural sports.

Noret Herban, Marcy Corwin, Anne Cambell, Nancy Naylor and Veronica Schober are seen participating in fencing.

Softball was enjoyed by Mary Allen Buren, Gail Christensen, Elma Fromm, Ellen Ripper.
